

OLYDEFENCE Ürün Kanıt Kontrol Listesi

Ürün kimliği, konfigürasyonu, kalitesi, izlenebilirliği ve yaşam döngüsü incelemesi için genel kontrol listesi

Belge kodu	OLYD-PUB-PEC-001	Sürüm / yürürlük tarihi	3.0 / 2 Ağustos 2026
Sınıflandırma	Kamuya açık / kurumsal inceleme	Belge sahibi	OLYDEFENCE — OLYVENRA LTD
Dil	Türkçe	Durum	Yayına hazır / kontrollü ana nüsha
Amaç			
Kanıt referanslarını bir araya getirmek için bu kontrol listesini kullanın. Tam paket risk bazlıdır ve sözleşmeye özeldir; Güvenli bir rota onaylanana kadar kontrollü materyali iletmeyin.			

Organisation and authority

Legal registration and registered address; ownership and authorised signatory; licence/registration or public mandate; manufacturer appointment and authorised territory; buyer/end-user authority where applicable.

Product identity and configuration

Legal manufacturer and production site; generic designation; exact model/configuration, part/catalogue number and revision; country of origin; serial/lot schema; software/firmware or accessory baseline where relevant.

Technical and conformity evidence

Current specification; exact standard and edition; test report with issuer/accreditation and tested configuration; certificate/approval with scope and status; labels, markings, instructions and limitations; material/environmental evidence where applicable.

Quality and acceptance

Quality-system scope; configuration/change control; authorised substitution; counterfeit avoidance; inspection and acceptance plan; certificate/release record; nonconformance, deviation/concession and corrective-action process.

Traceability and controlled transfer

Party and beneficial-owner review; destination/end-user/end-use documentation; classification and licence responsibility; sanctions/embargo screen; re-transfer controls; serial/lot custody and post-delivery records.

Packaging, logistics and storage

Unit of issue; packaging, marking and preservation; dangerous-goods description and packing instruction; transport mode and permits; storage conditions and access control; shelf/service life, inspection and stock rotation.

Lifecycle and support

Warranty; spares/consumables; training audience and competency; maintenance authority, tooling and calibration; technical publications; incident/complaint/recall process; obsolescence; return, destruction or disposal.

Category-specific additions

- Ammunition: lot, production/acceptance date, remaining life, surveillance, dangerous-goods and disposal records.
- Ballistic/respiratory protection: threat/hazard, exact complete configuration, conditioning, fit, limitations, care and service life.
- Tactical clothing/footwear: user/climate/task, fabric/construction, size curve, protective performance, laundering/care and replenishment.
- First-aid/trauma kits: approved contents, trained-user protocol, legal manufacturer/device status, lot/sterility/expiry, storage and replenishment; medicines excluded from public scope.

Gizli, ihracat kontrollü, operasyonel açıdan hassas veya kişisel tıbbi bilgileri kamuya açık form aracılığıyla göndermeyin. Ürüne özel teknik veriler, fiyatlandırma, stok, lisanslar, son kullanıcı kayıtları ve sözleşmeler ancak durum tespiti yapıldıktan sonra onaylı bir kanal üzerinden paylaşılmaktadır.

Portföy yönetimi: yapılandırma, kaynak, kullanılabilirlik, kanıt, lisanslama, son kullanıcı, son kullanım ve destek kapsamı, tedarikçi katılımı veya teknik sürüm öncesinde her yetkili gereksinim için doğrulanır.
